

ALIGN STORAGE

PRODUCT SPECIFICATONS

custom designed lockers with maple fronts and mesh inserts.

No matter what type of storage you need for your employees, patients or customers we have the solution. With our extensive Align portfolio, you can dress it up or dress it down... whatever you visualize, we can create it. And you'll love it. Is your style sophisticated? Inviting? Laid-back? Fun? The choice is truly yours!

Our unique set of components that make up the Align line can be configured into endless combinations, providing you with the ideal product for the specific application at hand. Easy installation, high utilization of space and flexible customization make Align your personal storage solution.
